NLC Releases *City Fiscal Conditions Report*

The National League of Cities (NLC) released its 30th annual [City Fiscal Conditions Report](#) this week. The report surveys U.S. cities to analyze revenues and expenditures of cities' general funds.

This year's version marks the highest percentage of cities able to meet their financial needs since the survey began, with 82 percent of city finance officers reporting that their cities are better able to meet financial needs in 2015 than in 2014. In addition, the ending balances of cities' general funds have reached pre-recession levels.

These two factors demonstrate modest improvement in financial stability. As cities face diminished aid from federal and state governments, they are becoming more self-reliant and more likely to set aside funds for emergencies or an economic downturn. Despite growth, *revenues* have not yet reached pre-recession levels and spending demands are increasing. For instance, infrastructure needs are still highly prevalent with 48 percent of cities reporting infrastructure costs negatively impacting their budget.

While fiscal conditions slowly improve, the report indicates city budgets are stabilizing. In Texas, cities are experiencing rapid growth and must retain broad local authority to make fiscal decisions that keep the "Texas Miracle" alive.

Body-Worn Cameras: Public Information Act Fees

Senate Bill 158, passed during the 84th legislative session, governs various facets of police body-worn cameras. The bill requires the attorney general to set a proposed fee to be charged to

members of the public who seek to obtain a copy of a recording from a body-worn camera. The fee amount “must be sufficient to cover the cost of reviewing and making the recording.”

As of September 1, 2015, when S.B. 158 went into effect, the attorney general’s office had not yet adopted a fee as required by the bill.

The League will continue to monitor any related rulemaking and will provide more detailed information as it becomes available. In the meantime, cities can call the attorney general’s “Cost Hotline” at 888-ORCOSTS with questions about how much to charge for producing footage.

Additional information about S.B. 158 is available at <http://www.tml.org/body-worn-cameras>.

TML member cities may use the material herein for any purpose. No other person or entity may reproduce, duplicate, or distribute any part of this document without the written authorization of the Texas Municipal League.

Dear Mayor Aaron.

I am writing regarding the appointment of your city's representative to H-GAC's 2016 General Assembly

H-GAC's Bylaws provide that each member Home Rule city with a population under 25,000 as of the last (2010) Federal Census is entitled to designate one representative and one alternate to the H-GAC General Assembly, which will meet in early 2016

I am enclosing the appropriate form for your city's use in officially designating a representative and an alternate. The two designees must be elected official members of your city's governing body. Please return the completed form by fax to 713-993-2414 or email rick.guerrero@h-gac.com.

A dinner meeting of Home Rule city representatives will be scheduled for November. At that meeting, your 2015 Home Rule Cities' H-GAC Board of Directors representatives will report on this year's activities and look ahead to issues and progress in 2016

We are sending a copy of these designation materials to your city secretary as well. We would appreciate receiving your city's designation form no later than October 10. If you have any questions during the designation process, please call Rick Guerrero at 713-993-4598

Sincerely,

Re: The 14th Annual Humble Lions Bike Ride

Dear Darrell Boeske:

09/14/2015

The Humble Lions Club Charities Inc. along with two other Lions Clubs, Kingwood Lions Club, Klein Lions Club, and Hearts Scholarship Foundation is once again making plans for our 14th annual bike ride. It will be held on February 13, 2016.

The riders will be starting from the Humble Career & Technology Education Center at 8:00 a.m. and the ride is a BP/MS 150 recommended ride. The ride lengths will tentatively be 55 miles, 44. Miles, and 22 miles.

As the bike riders will be traveling through your area, knowing that you are available to take care of our riders if the need arises, we are again seeking your support in assisting us with traffic control through your area. We need a letter of confirmation stating that we have your support in this effort. Texas DOT has requested that we get this information and send it to them for their files. We request that you please send your letter of confirmation to Loretta Darden, Project Chairman to P. O. Box 621, Humble, Texas 77347-0621. We need this as soon as possible.

If you have any questions or need any additional information, please feel free to call us at 832-574-5424, or Arlene.4428@yahoo.com.

We sincerely appreciate all the help and support that you can give us in helping to make this a successful fundraiser for the physically challenged and diabetic children.

Sincerely yours,

Loretta Darden
